

Our Core Values

“The Spirit of the Sovereign Lord is on me because the Lord has anointed me to proclaim good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of the Lord’s favor.” - Jesus

Biblical Worldview

- We are committed to following the worldview Jesus revealed in His life and ministry.
- We will not allow unbiblical or extra-biblical sources to derail our ministry and purpose.
- We embrace scripture by faith as written and seek to obey it fully.

Identity in Christ

- The New Testament uses “In Christ” or “In Him” 164 times to define who we are present as believers.
- Our identity in Christ is foundational to understanding who we are right now, for victory over sin, and healing from past trauma.
- As believers we are seated with Christ in the heavenly realm and therefore minister with Christ’s authority.

Dependent Trust in Jesus

- At Set Free Ministries, we cultivate the same active dependence on God that Jesus exemplified in His ministry for the performance of our ministry.
- As the Way, the Truth, and the Life we will always point to Christ as the only path to healing.
- Set Free Ministries has always and will always serve the body of Christ free of charge. God will continue to provide.

Holy Spirit Led

- Working at Set Free Ministries is a calling and not just a job.
- The gifts we have from the Holy Spirit are the strength and power of our ministry.
- In our own strength and wisdom, we are not equal to the task of leading others into spiritual freedom, so we rely completely on the Holy Spirit.

Humble Obedience

- We must walk in humble obedience and abide in Christ to lead others to do the same.
- It is Jesus Christ who is at work here to draw people to Himself.
- The amazing things we see happen are to His glory not our own.

Compassion for the Hurting

- We are commanded to feed His sheep, but often they come to us in horrible conditions.
- We must never regard anyone who comes to us from a worldly point of view but see them as who they are, children of God.
- Our passion is to lead the hurting to the abundant provision for healing, transformation, and freedom given to us in Christ.
