

## **BE's**

**BE SILENT** when anger stirs our heart; Don't speak the word that sends the dart.  
Or adds a burden to some soul; Add to your faith self-control.

**BE PATIENT** when everything goes wrong and Satan tries to steal your song.  
Let the peace of God keep mind and heart; and every needful grace impart.

**BE KIND** when folks don't understand, and friends misjudge on every hand.  
"Let your yieldedness be known." Remembering that you're not your own.

**BE READY** always to extend, a helping hand to foe or friend.  
Jesus prayed for those whose hate caused him to die outside the gate.

**BE FAITHFUL**; plow and sow the seed, by steady plod and loving deed.  
Though others may not know the cost, God knows your labor; 'tis not lost.

**BE JOYFUL** in the Lord; don't frown, though all the world seems upside down.  
Neither circumstance nor place, makes any change in His grace.

**BE CIRCUMSPECT** in all your walk, and chaste in all your thought and talk.  
You live not for yourself alone, but witness for the Lord whose your own.

**BE WATCHING**; unceasingly watch and pray, be on your guard each passing day.  
He's coming, coming very soon; it may be midnight, morn or noon.
